Re: Request for Approval of Tariffs
Home Lighting Rebate Program

Dear Secretary:

KCP&L Greater Missouri Operations Company (GMO) seeks approval from the Missouri Public Service Commission of the enclosed Home Lighting Rebate Program tariff sheet and related Table of Contents and Summary tariff sheets.

The tariff sheets have an issue date of June 11, 2014, and an effective date of July 11, 2014. However, the Company requests a July 6, 2014 effective date so that the tariffs of both the KCP&L and GMO residential lighting programs will coincide and have the same effective date and the programs can be launched and marketed to the Company's Missouri customers

Thank you for your consideration to these tariff sheets. Please contact me at (816) 556-2263 or carol.sivils@kcpl.com if you require any additional information.

Respectfully,
