**APPLICATION FOR EXTENSION OF TIME**

Pursuant to 4 CSR 240-2.080 and 4 CSR 240-22.080, the Missouri Department of Natural Resources (“MDNR”) hereby submits to the Public Service Commission of the State of Missouri (“Commission”) a Motion for Extension of Time to Provide Comments to KCP&L Greater Missouri Operations Company’s (“GMO”) 2009 Integrated Resource Planning Filing (“IRP”).

1. On August 5, 2009, GMO filed its 2009 IRP, as required by the Commission’s Integrated Resource Planning Rule, 4 CSR 240-22.
2. On August 6, 2009, the Commission directed that any other party, which includes MDNR, may file a report, as described in Commission Rule 4 CSR 240-22.080(6), no later than December 3, 2009.
3. However, due to a voluntary extension of Data Request due dates to GMO by MDNR, consisting of numerous documents, in addition to MDNR’s existing and continuing heavy case loads, MDNR will not be able to complete its report by December 3, 2009. Consequently, MDNR respectfully requests an additional week- until December 10, 2009- to submit its comments.
4. The MDNR does not request this leave to late-file its comments to unduly delay these proceedings or to inconvenience the Commissioners, Regulatory Law Judges,

GMO, or the other Parties. The MDNR does not believe that GMO or the other Parties will be prejudiced by this late filing.

5. GMO, OPC and Staff do not object to MDNR's request for additional time.

For the foregoing reasons, the MDNR respectfully requests that the Commission extend until December 10, 2009, the deadline to submit comments to GMO's 2009 IRP.

Respectfully submitted
