Maintain and Otherwise Control and Manage a)
345,000-volt Electric Transmission Line from Palmyra,)
Missouri, to the Iowa Border and Associated Substation)
Near Kirksville, Missouri.

MOTION TO MOVE LOCAL PUBLIC HEARING LOCATION

COMES NOW the Office of the Public Counsel (“Public Counsel”) and makes this motion that the Missouri Public Service Commission (“Commission”) move the local public hearing scheduled for Monday October 19, 2015 to the alternative location described herein.

1. On September 18, 2015, the Commission issued its order setting local public hearings. The local public hearing on Monday, October 19, 2015, beginning at 6:00 p.m. is currently scheduled to be held at the Father Buhman Center in Shelbina, Missouri.
2. Public Counsel requests that the Commission move the local public hearing scheduled on October 19, 2015 to North Shelby High School, 3071 MO-15, Shelbyville, MO 63469 to allow all members of the public a reasonable opportunity to participate. The High School is a strong substitute location. Based on conversations with the superintendent, the North Shelby High School has a sufficiently large meeting space, is ADA Compliant, and is available on that date. Further, the superintendent indicates that public hearings for other state agencies have been held at the High School in the past.
3. Public Counsel inquired of the parties to this case and reports that no party objects to re-locating the October 19, 2015 local public hearing.

WHEREFORE, Public Counsel requests that the Commission issue an order changing the location of the October 19, 2015 local public hearing to North Shelby High School and schedule the local public hearing accordingly.

Respectfully,

OFFICE OF THE PUBLIC COUNSEL

By: /s/ Tim Opitz
