**REQUEST FOR EXTENSION OF TIME TO FILE STAFF'S INVESTIGATION
AND REPORT**

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its Request for an Extension of Time to File Staff's Investigation and Report, respectfully states as follows:

1. On October 10, 2007, the Missouri Public Service Commission (Commission) issued its Notice of Complaint and Order Directing Staff Investigation. The Notice directs the Staff to file a report of its investigation in this case no later than November 14, 2007.

2. The Notice also directed Kansas City Power & Light (KCPL) to file a response to the complaint no later than November 9, 2007.

3. At the Missouri Public Service commission's Division Directors Meeting on July 11, 2007, a decision was made that Staff will have 60 days or sooner from the filing of the Complaint, to file their investigation report. It was noted that the Staff needs to have the Complaint and company response in hand to be able to complete their report.

4. As the Notice issued by the Commission October 10, 2007 only provides for five (5) days from the filing of the company's response until the Staff's Report is due, Staff requests additional time to investigate this matter and file their Report. Staff requests that the Report ordered in the Notice be filed no later than December 9, 2007, to allow time for Staff to adequately prepare a Report with all applicable information.

WHEREFORE, Staff respectfully requests that the Commission allow Staff additional time to file Staff's Investigation and Report, and that the report be filed no later than December 9, 2007.

Respectfully submitted,

/s/ Blane Baker
