**MOTION TO INTERVENE OF SIERRA CLUB**

Comes now Sierra Club, and pursuant to 4 CSR 240-2.075, applies to intervene herein. In support of its motion to intervene, Sierra Club states the following.

1. Sierra Club is a nonprofit organization organized and existing under the nonprofit corporation laws of the state of California. Sierra Club has more than 700,000 members nationally and over 10,000 members in Missouri. The Missouri Chapter of the Club has an office at 2818 Sutton Blvd, St. Louis, MO 63143; email [john.hickey@sierraclub.org](mailto:john.hickey@sierraclub.org); telephone 314-644-1011. Sierra Club exists for the purposes of preserving and protecting environmental values. Consistent with this mission, Sierra Club has long advocated for investment in clean, low-cost energy resources in the state of Missouri and across the country. Sierra Club is interested in promoting wind energy as an alternative to fossil fuel generation.

2. Sierra Club’s interests in promoting wind energy are different from those of the general public in their environmental emphasis. Sierra Club seeks to move away from fossil-fueled electricity to energy efficiency and renewable energy in order to reduce pollution and ameliorate the adverse effects of fossil energy on the climate. The Sierra Club’s interests would be positively affected by the addition of wind energy in Missouri.

On the other hand, the Sierra Club's interests could be adversely affected if the project were to harm sensitive lands, waters or species.

3. Sierra Club has been involved in numerous MPSC dockets concerning the Renewable Energy Standard; integrated resource planning dockets; the two Grain Belt Express Clean Line wind transmission CCN dockets, EA-2014-0207 and EA-2016-0358; and Empire District Electric's Customer Savings Plan, EO-2018-0092; among other cases that demonstrate its interest in the subject of this case.

4. Correspondence, communications, orders and decisions may be sent to:

5. Sierra Club is not yet certain of the position it will take in this case.

6. It will serve the public interest for the PSC to grant this application to intervene.

WHEREFORE, Sierra Club respectfully requests the Public Service Commission to grant the application to intervene.
