UPDATE TO LIFELINE PLAN(S)**

Minimum Standard Voice Plan, effective 12/01/2017*

750 Minute Always On Plan: This plan offers 750 voice minutes, unlimited Always On text units, 100MB of data, and unlimited Always-on-Wireless-Data on 4G devices per month. Data is 3G/4G based on network availability and device capability. Always-on-Wireless-Data provides access to Wifi, email, and web (at 128K/sec) when the 4G data units are exhausted. Customer provides their own device as plan does not include a device. Lifeline minutes, texts and data are automatically posted each month on the Lifeline customer's service date. There is no rollover of minutes, texts, or data, and any unused minutes, texts, or data will expire on the next month's monthly service date. Services are for personal use only. All usage is subject to the Acceptable Use Policy. See Terms of Service at www.enTouchwireless.com. (Bundled Voice Plan)

* Per the Lifeline Modernization Order, a *60-day Port Freeze* is associated when a subscriber selects this plan. Accordingly, a subscriber may change service providers during the Port Freeze period; however, the subscriber will not be able to apply the Lifeline Benefit with any other service provider for the duration of the Port Freeze period.
