Thank you for submitting your 2006 Annual Report to the Missouri Public Service Commission. As a result of my review I have identified the following item that is not in compliance with Chapter 3 of 4 CSR 240 for Nonpublic Treatment of the Annual Report which need to be corrected:

1.   An affidavit was not provided.

The guidelines for submitting a confidential annual report were outlined in the cover page of the report form that was mailed to you. For your convenience, I have attached a copy of that cover letter which contains a summary of the nonpublic treatment requirements.

A response for this item is <u>required</u> in order to accept your annual report as complete and prevent it from being filed as public. Pending your response I have provided the Commission's Data Center with a copy of this email to be filed in conjunction with your annual report. Your prompt attention to resolving this matter will be appreciated. Please resubmit the non public report with an affidavit attached and pages with non public information identified. Also, please submit a public version of the same report with non public information redacted.

Should you have any questions or need assistance in this process, you may call me at (314) 877-2778 ext 230 or communicate via email at jeremy.hagemeyer@psc.mo.gov.

The information should be mailed to:

> Missouri Public Service Commission
> Attn: Data Center
> 200 Madison Street, Suite 440, P.O. Box 360
> Jefferson City, MO 65102-0360

Please reference the following identification number when contacting the Missouri Public Service Commission concerning your report: **BMAR-2007-0958**.

A COMPANY RESPONSE TO THE ABOVE DEFICIENCIES IS REQUIRED.

Sincerely,

Jeremy Hagemeyer
