**SECOND SUPPLEMENTAL INFORMATION AND VERIFICATION  
OF CALLABYTE TECHNOLOGY, LLC FOR DESIGNATION AS AN  
ELIGIBLE TELECOMMUNICATIONS CARRIER**

On September 27, 2018 Callabyte Technology, LLC ("Callabyte"), by its undersigned counsel submitted its Application for Designation as an Eligible Telecommunications Carrier ("ETC") in the State of Missouri ("Application"). On October 22, 2018, Callabyte received an email from the Missouri Public Service Commission Staff Counsel Department with a request for clarification or additional information to be provided. Staff's requests and Callabyte's responses to Staff's requests follow:

- 1. Callabyte Technology, LLC's ETC application states the company will be providing broadband and VoIP services. Callabyte's VoIP registration with the MoPSC was cancelled in June of 2017. Please explain.**

Callabyte has been relying on third-party IVoIP vendors to provide voice service to its customers since cancellation of its VoIP registration. Callabyte has used only registered IVoIP providers to provide its customers with voice service since that time, namely Big River Telephone Company, LLC and Alianza, Inc. Callabyte completed a conversion from Big River Telephone Company to Alianza near the end of December, 2017. Alianza is the sole remaining registered IVoIP provider providing voice service to

Callabyte customers. If a decision to discontinue use of registered IVoIP providers is made, Callabyte will seek reinstatement of its VoIP registration with the MoPSC.

Respectfully submitted,
