Subject: Annual Report Deficiency for Logix Communications (BMAR-2018-1650)

This email is a deficiency notice for your annual report. Your annual report is considered deficient until the following issue(s) are addressed:

- The company only submitted a “non-public” version of the annual report. In such instances a company must also submit a “public” version of the annual report.
- Item No. 9 on page 5 of your company’s annual report fails to identify the proper Relay Missouri surcharge of \$.04. Please verify the Relay Missouri surcharge applied to customers. If the surcharge was not \$.04 please provide an explanation.

Please resubmit your revised annual report **in its entirety** within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) in the subject of this email. Please ensure a revised annual report is filed within EFIS for each certificate/registration held by the company.

This deficiency must be resolved within the next 20 days. Failure to respond and adequately resolve the deficiency by this deadline may result in punitive action against the company.
