REQUEST:

Please provide the most current projections of additional expenses that would be associated with the fixed bill program over the five year "pilot" period. If projections are not available for the full five year period, then provide projections for a portion of the five year period.

RESPONSE:

Additional expenses associated with the fixed bill program are documented in OPC-2044 Budget Plan 2008. This budget outlines incremental costs of \$252,950 for 2008. Projections for 2009 and 2010 used the same assumptions and amount, \$252,950, for each year.
