Re: Negotiations Pursuant to Sections 251 and 252  
of the Telecommunications Act

To Whom It May Concern:

Please be advised that the Missouri Small Incumbent Local Exchange Carriers (ILECs) listed on Attachment A to this letter wish to begin negotiations pursuant to Sections 251 and 252 of the Telecommunications Act of 1996 (Act) and Section 20.11 of the Federal Communications Commission's (FCC) rules for purposes of establishing interconnection agreements for the indirect exchange of local traffic. In addition, and effective with receipt hereof, the Missouri Small ILECs listed on Attachment A seek to establish interim compensation pursuant to Section 51.715 of the FCC's rules. This request is being sent by overnight courier for delivery tomorrow. It is the intent and expectation of the Missouri Small ILECs that this request for negotiation and interim compensation will be received and effective on April 29, 2005, the day on which their Missouri intrastate wireless tariffs will no longer be effective for the wireless originated traffic which your company is currently terminating to these Missouri Small ILECs.

Many of these Missouri Small ILECs currently have Traffic Termination Agreements with wireless carriers which have been filed with and approved by the Missouri Public Service Commission. Attached to this correspondence is a copy of an agreement between one Missouri Small ILEC and Verizon Wireless. Accordingly, in an effort to streamline negotiations, the Missouri Small ILECs listed on Attachment A are willing to enter into an agreement similar to that attached.
