Subject: FamilyTel of Missouri 2005 Annual Report to the Missouri Public Service Commission

Attachments: TA-2002-357 Order.htm

Thank you for submitting your 2005 Annual Report to the Missouri Public Service Commission. I have reviewed your report and have found the following omissions / errors:

1. Your response to page 1, question 3, part a, was incorrect. The latest effective date for your **CLEC** is **8/16/02** instead of 8/17/02 as submitted. Please include this information on any future submissions.
2. Your response to page 1, question 4, part a, was omitted. The latest effective date for your **IXC** is **3/19/04**. Please include this information on any future submissions. I have attached the Order related to your IXC operations in case you have any questions.
3. Your response to page 1, question 4, part b, was omitted. The latest case number for your **IXC** is **XA-2004-0282**. Please include this information on any future submissions.

The Commission's Data Center recognizes that "the certification date and case number shall be that of the original certification unless a name change, entity change (Corp. to LLC, etc.) or merger/sale has occurred. In those instances, the effective date and case number shall be that of the latest case on file for one of these occurrences." The effective date can be found at the end of the order for the case and is not the date of the order itself.

For your convenience, in lieu of requiring a resubmission of all or part of your annual report, I have provided the Commission's Data Center with a copy of this email to be filed in conjunction with your annual report, which will be sufficient to accept your filing. In the future however, please include the information as listed above.

Also, please be advised that appears you only filed the report under your CLEC designation. Even though this report is combined and covers both CLEC and IXC operations, there should be a separate filing for both your CLEC and IXC. The report will be the same, but the submitted entity will indicate CLEC or IXC. The Commission's data center has made this submission for you, but in the future please make both submissions.

The above item(s) are for informational purposes only and **DO(ES) NOT REQUIRE A COMPANY RESPONSE**, however, if you have any questions, please feel free to contact me. Please reference the following identification number when contacting the Missouri Public Service Commission concerning your report: **BMAR-2006-2160 (CLEC) and BMAR-2006-2161 (IXC)**.
