

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of a Notice of Election of Waivers)	
Of Southwestern Bell Telephone Company)	
d/b/a AT&T Missouri Pursuant to Section 392.420,)	Case No. IE-2009-0082
RSMo., as Amended by HB 1779.)	

Staff Recommendation

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”) and for its recommendation states as follows:

1. On August 28, 2008, AT&T Missouri filed notification with the Missouri Public Service Commission (“Commission”) that AT&T Missouri had elected to waive certain Commission rules and statutory provisions pursuant to RSMo Section 392.420, as amended by HB 1779.

2. AT&T has not yet submitted a tariff filing to identify these waivers in their tariff.

3. The reference to RSMo Section 392.420 refers to the statute as revised by the passage of House Bill 1779, which became effective August 28, 2008.

4. Section 392.420, as amended by House Bill 1779, states in relevant part:

In the case of an application for certificate of service authority to provide basic local telecommunications service filed by an alternative local exchange telecommunications company, and for all existing alternative local exchange telecommunications companies, the commission shall waive, at a minimum, the application and enforcement of its quality of service and billing standards rules, as well as the provisions of subsection 2 of section 392.210, subsection 1 of section 392.240, and sections 392.270, 392.280, 392.290, 392.300, 392.310, 392.320, 392.330, and 392.340. Notwithstanding any other provision of law in this chapter and chapter 386, RSMo, *where an alternative local exchange telecommunications company is authorized to provide local exchange telecommunications services in an incumbent local exchange telecommunications company's authorized service area, the incumbent local exchange telecommunications company may opt into all*

or some of the above-listed statutory and commission rule waivers by filing a notice of election with the commission that specifies which waivers are elected.

(Emphasis added).

5. AT&T is an incumbent local exchange telecommunications company as that term is used in Section 392.420. Furthermore, in the attached Memorandum, labeled as Appendix A, Staff states its position that prior Commission cases, along with the most recent annual reports submitted by companies, adequately demonstrate that alternative local exchange telecommunications companies provide service in the Company's territory.

6. AT&T is currently compliant in obligations relating to Commission assessment, Missouri Universal Service Fund, Relay Missouri, and the submission of an annual report.

WHEREFORE, Staff recommends that the Commission acknowledge AT&T's election to opt into the waivers listed in its Notice of Election for Waivers and direct AT&T to file tariff pages in compliance with the waivers that designate the rules and statutes waived.

Respectfully submitted,

/s/ Steven C. Reed
