Subject: Direct One, LLC Missouri 2002 Annual Report

Thank you for submitting the 2002 annual report. I reviewed the report and found that the response to the type of tax return filed by Direct One, LLC (Page 4, Item 12) was omitted. Please provide this information to me as soon as possible and I will have it included with the annual report filing. You may send your response to me in a letter or email. It is not necessary to resubmit the annual report.

Please call or email if you have any questions.
