Subject: RE: Alltel Communications, Inc. 2005 Annual Report to the Missouri Public Service Commission - CLEC

Good morning, Jeremy.

Please note that in the first cells of the retail access line reports, I have input "NONE" for both business and residential exchanges as we do not have any access lines for CLEC in MO. This is the same input as last year. Please respond should further action be necessary. Thank you.

Subject: Alltel Communications, Inc. 2005 Annual Report to the Missouri Public Service Commission - CLEC

Thank you for submitting your 2005 Annual Report to the Missouri Public Service Commission. As a result of my review I have identified the following item that needs to be corrected:

1. The retail access line reports were not completed.

A response for this item is required in order to accept your annual report as complete. Pending your response I have provided the Commission's Data Center with a copy of this email to be filed in conjunction with your annual report.

You must resubmit the annual report with the appropriate signatures to the Data Center as listed below. The resubmission must include the number assigned to your report as listed below (BMAR-2006-1898) in order for it to be properly entered into the system. Also, an email response informing me of your resubmission would be helpful, so that I may close your case number.

Your prompt attention to resolving this matter will be appreciated. The Missouri Public Service Commission's rules within chapter 3 of 4 CSR 240 state that a utility company that receives a notice that deficiencies exist in the information provided in the annual report shall respond to that notice within 20 days or the utility company is subject to a penalty of \$100 for each day that it is late in filing its response to the deficiency.

Should you have any questions or need assistance in this process, you may call me at (314) 340-4680 ext 230 or communicate via email at jeremy.hagemeyer@psc.mo.gov.

The information should be mailed to:

Missouri Public Service Commission
Attn: Data Center

200 Madison Street, P.O. Box 360

Jefferson City, MO 65102-0360

Please reference the following identification number when contacting the Missouri Public Service Commission concerning your report: **BMAR-2006-1898**.

A COMPANY RESPONSE TO THE ABOVE DEFICIENCY IS REQUIRED.

Sincerely,
