Re: Case Nos. GR-2017-0215 and 0216

Dear Mr. Woodruff:

I am writing to describe how the confidential information in the attached pleading qualifies as confidential. This information is material, non-public information, so it qualifies as a trade secret, or what was previously referred to as proprietary information. Similar to information filed in these cases with the Company's January 22, 2018 Affidavit, we anticipate that this information is temporarily confidential and will become public upon proper financial disclosure by the Company.

Thank you for your consideration in this matter.

Very truly yours,

/s/ Rick Zucker
