CORRECTION ORDER

The Commission issued its order in this matter on August 20, 1996, granting the applicant a certificate of convenience and necessity and providing for the following:

"2. That Spokane Highlands Water Company shall file in this docket a complete set of rates, rules, service area descriptions, and other necessary tariffs, including tariffs fully incorporating the recommendations of the Staff as set out in this order, prior to commencing operations."

On August 23, 1996, the Staff of the Commission (Staff) filed a motion for clarification, stating that it was the Staff's opinion that, without a specific order and the attachment of the agreed-upon depreciation schedule, the Commission ordered no depreciation rates to take effect. The Staff requested the Commission correct its order, to include the attachment of the agreed-upon depreciation schedule as set out in Attachment 1 of the Staff's recommendation.

It was the Commission's intent in Ordered Section No. 2 to incorporate the agreed-upon tariffs, as referenced on page 2 of the body of its order. However, since some confusion has arisen, the Commission will correct its order by adding an Ordered Section requiring Spokane Highlands to adopt the agreed-upon depreciation schedule.

IT IS THEREFORE ORDERED:

1. That the Commission's order of August 20, 1996, is hereby corrected to add the following: That Spokane Highlands Water Company is hereby ordered to adopt the depreciation schedule as attached to this correction order as Attachment No. 1.

2. That this order shall become effective on the date hereof.
