**SUPPLEMENTAL REPORT REGARDING  
FINAL DISPOSITION OF CERTIFICATE AND TARIFF**

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), by and through counsel, and, for its Supplemental Report Regarding Final Disposition of Certificate and Tariff ("Supplemental Report") states the following to the Missouri Public Service Commission ("Commission").

1. On June 14, 2007, the Staff filed its Report and Recommendation Regarding Final Disposition of Certificate and Tariff ("June 14 Report").

2. In its June 14 Report, the Staff noted that the Commission granted Central Jefferson County Utilities ("CJCU") certificates of convenience and necessity ("certificates") to provide water and sewer services in Case No. WA-80-289.

3. Based upon a conversation with counsel for CJCU, and a further review of CJCU's past tariff filings, both subsequent to the Staff's filing of its June 14 Report, the Staff needs to amend that report by noting that the Commission authorized CJCU to amend its service area for water service through an order issued in Case No. WA-88-129, which was effective on July 29, 1988, and authorized CJCU to expand its service area for water and sewer service through an order issued in Case No. WA-91-24, which was effective on September 28, 1990.

**WHEREFORE**, the Staff respectfully submits its Supplemental Report for the Commission's information and consideration in this case.

Respectfully Submitted,

/s/ *Keith R. Krueger*
