ORDER OF RULEMAKING

By the authority vested in the Public Service Commission under section 700.040, RSMo 2016, the commission withdraws a proposed amendment as follows:

**4 CSR 240-124.045 Anchoring Standards is withdrawn.**

A notice of proposed rulemaking containing the proposed amendment was published in the *Missouri Register* on August 15, 2017 (42 MoReg 1182). This proposed amendment is withdrawn.

**SUMMARY OF COMMENTS:** The public comment period ended September 15, 2017, and the commission held a public hearing on the proposed amendment on September 22, 2017. The commission received one written comment regarding this rule from the staff of the commission. Staff explained the original amendment and proposed complete rescission of the rule as unnecessary.

**COMMENT #1:** Staff commented that originally, amendments were proposed to remove definitions and change the title of the person responsible for the program. However, upon further review of the rules in conjunction with Executive Order 17-03, staff recommends that this rule be rescinded in its entirety because it simply restates federal requirements.

**RESPONSE:** The commission agrees with staff. However, because this chapter cannot be rescinded without going through the proper statutory and administrative processes, the commission will withdraw this proposed amendment and begin a new rulemaking to consider the rescission of this rule.
