Subject: Qwest Communications Corporation 2003 Missouri Annual Report

Thank you for submitting the 2003 Interexchange Telecommunications Carrier Annual Report to the Missouri Public Service Commission. I have reviewed the report and according to our records the response to page 1, item 2 effective date of certification should be March 4, 2002 and case no. TM-2001-628. This case recognized the merger/reorganization of Qwest Communications Corporation. Please include this information in future annual report submissions. In addition, I will include your previous response related to total company revenues (page 2, item 7) with the annual report submission.

Please call or email if you have any questions.
