RE: Calendar Year 2004 Annual Report

**IMPORTANT NOTICE TO
ALL MISSOURI PUBLIC UTILITIES**

Pursuant to Section 392.210, RSMo., Section 393.140, RSMo., and the rules at 4 CSR 240-3.540 (Telecommunications Companies), public utilities are required to submit an annual report to the Missouri Public Service Commission.

Please Note:

- ✓ Due on or before **April 15, 2005**
- ✓ The form(s) submitted to the Commission must be originals in loose-leaf format (in lieu of a hard copy, an electronic version may be submitted in the Commission's Electronic Filing and Information System, EFIS).
- ✓ Attempts to substitute forms such as stockholder reports without concurrently filing official Commission forms with appropriate cross-references will be considered non-compliant.
- ✓ Complete each question fully and accurately, even if it has been answered in a previous annual report. Enter the word "None", "0" or "N/A" where it truly and completely states the fact. An unanswered question will result in a deficiency notice requiring an additional response.
- ✓ Each utility must submit a report even if it had **NO** revenues during the reporting year.

Reports that do not meet these requirements will not be considered "submitted." Utilities will be subject to legal action under state law for failure to submit annual reports on time without a timely extension request. A utility that does not timely file its annual report, or its response to a notice that its annual report is deficient when a response is sought, is subject to a penalty of one hundred dollars for each day that it is late in filing its annual report or response to a notice of deficiency.

Requests to submit annual report data under seal:

Utilities may request classification of selected portions of their annual report as non-public. Please note that all information classified as non-public will still remain subject to potential disclosure as provided under the Missouri open records act (Chapter 610 RSMo) and Section 386.480, RSMo.
