Dear Mr. Morris,

I have reviewed the annual report forms submitted to the Commission. As a result of my review I have identified two deficiencies that need to be noted:

1. According to our records MCIMetro Access Transmission Services, LLC is an CLEC and IXC but the annual report submitted was just for a CLEC. Since there is approval for CLEC and IXC services (with the same certification date and case number), the combination report is necessary. Since the same basic information is included in both reports, a new submittal is not required.
2. According to our records the correct answer to Page 1, Item 2 should be November 6, 1998 for the effective date.

Please include this information in future annual report submittals. Should you have any questions you may call me at (573) 526-3482 or communicate via email, [Amanda.mcmellen@psc.mo.gov](mailto:Amanda.mcmellen@psc.mo.gov). A response to this letter is not required.

Respectfully,
