Subject: SBC Long Distance 2003 Missouri Annual Report

Thank you for submitting the 2003 Interexchange Telecommunications Carrier Annual Report to the Missouri Public Service Commission. I have reviewed the annual report. Please identify the full company name as that of the dba, SBC Long Distance in future annual report submissions rather than that of the parent. In addition, future submissions need not include the certification case no. TA-99-47 since the 2003 report was the last year of operation in Missouri under the Southwestern Bell Long Distance certificate (XD-2003-0289).

Please call or email if you have any questions.
