

EC-2023-0395

Brett Felber

VS

Ameren Missouri

To whom this may concern, unfortunately I can no longer discuss the balance with Ameren nor can Ameren at the moment try to collect on the balance of the account. Attached is a copy from the Consumer Financial Protection Bureau of the letter that they've submitted back to me, in which they have forwarded my complaint regarding the bankruptcy amount and other items on my bill that are in dispute as well.

For the record and off the record, Ameren has until the end of business today Wednesday July 26, 2023, to mark the \$ [REDACTED] in dispute status and immediately cease and desist of trying to collect any part of it until it is decided through the FTC.

Attached is a copy of the letter from the CFPB. Looks like it was forwarded to the FTC on July 24, 2023.
