Subject: Annual Report Deficiency For Dialaround Enterprises- (BMAR-2011-1584 & BMAR-2011-1586), Dialaround (BMAR-2011-1585) & DEI (BMAR-2011-1583)

This email is a deficiency notice for your annual report. Your annual report is considered deficient until the following issue(s) are addressed:

The revenue table on page 3 of the company's annual report requires a company to identify Total Company revenue in Row 13 Column B. This box must contain a number or 0 and cannot be left blank.

Item No. 12 on page 7 of your company's annual report fails to properly address all requirements contained on the CPNI compliance page. Alternatively your company may submit a copy of the company's CPNI filing submitted to the FCC; however, if such an approach is used you still need to respond to Item H on the CPNI form.

The affidavit accompanying your company's annual report is incomplete.

Please resubmit your revised annual report in its entirety if your annual report needs to be revised to correct the deficiency. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number previously supplied upon your initial annual report submission to the Commission.

Please be aware that per Commission rule 4 CSR 240-3.540(4) a company is required to respond within 20 days of being notified of a deficiency in a company's annual report. Failure to respond within 20 days may subject the company to a penalty of \$100 per day that it is late in filing a response to the deficiency.
