Subject: RE: Notice for BOLT Fiber Optic Services 2022 Annual Report (BMAR-2023-0513 & BMAR-2023-0517)

This email is a continued deficiency notice for your annual report.

- The company name on your annual report fails to exactly match the company name maintained within Missouri PSC records. Please submit an amended report with full company name, including the d/b/a, or simply the d/b/a.

Please resubmit your revised annual report in its entirety. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) in the subject of this email.

Kari Salsman | Missouri Public Service Commission | 573-526-5630

Subject: Notice for BOLT Fiber Optic Services 2022 Annual Report (BMAR-2023-0513 & BMAR-2023-0517)

You don't often get email from kari.salsman@psc.mo.gov. [Learn why this is important](#)

This email is a notice for your 2022 annual report. The annual report was not submitted on the correct annual report form. **The 2022 annual report form has been revised from last year's form.** The form, instruction pages and cover letter can be downloaded from the Missouri Public Service Commission's website: [Telecommunications Forms | Missouri Public Service Commission \(mo.gov\)](#).

Also, please ensure the confidential version of the annual report has confidential, not public, selected on page 1.

Please resubmit your revised annual report in its entirety. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) in the subject of this email.
