Subject: NuVox Communications of Missouri Inc - IXC - CLEC - 2009 MOPSC Annual Report Review - Complete

Thank you for submitting your 2009 Annual Report to the Missouri Public Service Commission (Commission). I have reviewed your report and have found the following omissions / errors:

1. On the public versions of your annual report no notary seal is present. However, notary seals are present on the H-C version. I will not consider this to be a deficiency because the notary seals are on the H-C version. Next time please have the notary seals present on both the public and H-C versions of your annual reports. No additional action is required on your part regarding Staff's initial review for acceptance.

This response has been reviewed only for procedural errors and omissions and is not a financial statement attested to by the Commission.

While your report has been initially accepted by the Commission, further reviews are possible based upon the types of information provided. Should a subsequent review reveal deficiencies not previously identified, you will be notified of the deficiencies and any actions you are required to take.

For your convenience, in lieu of requiring a resubmission of all or part of your annual report, I have provided the Commission's Data Center with a copy of this email to be filed in conjunction with your annual report, which will be sufficient to accept your filing.

If you have any questions; please feel free to contact me. When contacting the Commission concerning your report, please reference the following identification numbers: **BMAR-2010-1388 & BMAR-2010-1389**.

Sincerely,

Mike Straub
