Re: Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri's
Correction to Annual Report

Dear Ms. Fisher:

We are writing to advise that during the preparation of this year's Annual Report filing, we discovered that we had inadvertently been reporting Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri's general partner, SWBT Texas, LLC, as owning a 99% of the limited partnership interest in Southwestern Bell Telephone, L.P. But as fully explained in Case No. TO-2002-185 (the case in which the Commission approved the conversion of Southwestern Bell Telephone Company from a Missouri corporation to a Texas limited partnership), this 99% limited partnership interest is held by Southwestern Bell Texas Holdings, Inc., which is the limited partner (with the general partner owning a 1% interest).

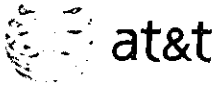

We apologize for this scrivener's error and we will ensure that this information is correctly presented in this year's filing.

Please call me with any questions or if any further information is needed.

Very truly yours,

Leo J. Bub
