**AMENDMENT TO APPLICATION FOR DESIGNATION AS AN  
ELIGIBLE TELECOMMUNICATIONS CARRIER ON A WIRELESS BASIS**

COMES NOW Easy Telephone Service Company (“Easy Telephone” or the “Company”) and, pursuant to 4 CSR 240-2.080(20), files this Amendment to its Application for Designation as an Eligible Telecommunications Carrier on a Wireless Basis (“Application”). In support of its Amendment, Easy Telephone states as follows:

1. On December 7, 2010, Easy Telephone filed its Application for Designation as an Eligible Telecommunications Carrier on a Wireless Basis. In paragraph 13(f) of its Application, the Company states, “all providers are required to contribute a portion of the interstate revenues received from their customers to the Universal Service Fund. In accordance with current federal regulations, Easy Wireless will make contributions based on that portion of its revenue that is determined to be interstate. As such, approving Easy Wireless as an ETC will actually create contributions to the USF that were previously non-existent.”

2. Easy Telephone respectfully requests that Paragraph 13(f) of its Application be amended to add the following statement: “Moreover, the Company commits to remit 911 revenues to local authorities. The Company shall pay in a timely manner all applicable federal, state and local regulatory fees, including but not limited to universal service and E-911 fees. See ‘TracFone Wireless, Inc. Petition to Rescind State 911/E911 Condition’, FCC Docket No. 96-45 (May 3, 2010).”

WHEREFORE, Easy Telephone respectfully requests that Paragraph 13(f) of its Application for Designation as an Eligible Telecommunications Carrier on a Wireless Basis be amended to add the following statement: “Moreover, the Company commits to remit 911 revenues to local authorities. The Company shall pay in a timely manner all applicable federal, state and local regulatory fees, including but not limited to universal service and E-911 fees. See ‘TracFone Wireless, Inc. Petition to Rescind State 911/E911 Condition’, FCC Docket No. 96-45 (May 3, 2010).”

Respectfully submitted,
