Service Commission

Thank you for submitting your 2007 Annual Report to the Missouri Public Service Commission. As a result of my follow-up review I have identified the following item that must be corrected:

- The company's name was incorrectly listed. The report must include any d/b/a names on each line requesting the company's name. Our records indicate the company's current certificated name is SNET America, Inc., d/b/a AT&T Long Distance East. The name currently listed on the report will need to be changed to reflect this.

A response for this item is required in order to show your report as complete and remove it from deficiency status.

You **must resubmit** the annual report with the appropriate changes to the Data Center as listed below. The resubmission must include the number assigned to your report as listed below (BMAR-2008-0649) in order for it to be properly entered into the system. Also, an email response informing me of your resubmission would be helpful, so that I may close your case number.

Your prompt attention to resolving this matter will be appreciated. The Missouri Public Service Commission's rules within chapter 3 of 4 CSR 240 state that a utility company that receives a notice that deficiencies exist in the information provided in the annual report shall respond to that notice within **20 days** or the utility company is subject to a **penalty of \$100** for each day that it is late in filing its response to the deficiency.

Should you have any questions or need assistance in this process, you may call me at (314) 877-2778 ext 230 or communicate via email at jeremy.hagemeyer@psc.mo.gov.

The information should be mailed to:
