Subject: Netelligent Corp_VoIP_2008 Missouri Public Service Commission Annual Report Review Notice

As we discussed yesterday you have two separate filings, one for your CLEC and one for your VoIP. This email is in regards to your VoIP submission. Thank you for your prompt submission of the report, if you have any questions or problems with your resubmission of the CLEC report, please let me know.

Thank you for submitting your 2008 Annual Report to the Missouri Public Service Commission. The initial review of your 2008 annual report has been completed and no errors or omissions were identified during this review. Therefore, your annual report has been accepted and placed on file with the Commission. This annual report was only reviewed for identifiable errors and omissions and is not a financial statement attestation by the Commission.

While your annual report has been initially accepted by the Commission, further reviews are possible based upon the types of information provided. Should a subsequent review reveal deficiencies not previously identified, you will be notified of the deficiencies and any actions required to be taken.

The above is for informational purposes only and **DOES NOT REQUIRE A COMPANY RESPONSE**, however, if you have any questions, please feel free to contact me. Please reference the following identification number when contacting the Missouri Public Service Commission concerning your report: **BMAR-2009-0644**.
