This email is a deficiency notice for your annual report. Your annual report is considered deficient until the following issue(s) are addressed:

- Item No. 9 on page 5 of your company's annual report fails to identify the proper Relay Missouri surcharge of \$.06. Please verify the Relay Missouri surcharge applied to customers. If the surcharge was not \$.06 please provide an explanation.

Please resubmit your revised annual report in its entirety if your annual report needs to be revised to correct the deficiency. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) in the subject of this email. Please ensure a revised annual report/response is filed within EFIS for each annual report filed within EFIS. For instance if your company holds more than one certificate or registration then an annual report is filed within EFIS based on each certificate or registration held by a company.

Please be aware that per Commission rule 4 CSR 240-3.540(4) a company is required to respond within 20 days of being notified of a deficiency in a company's annual report. Failure to respond within 20 days may subject the company to a penalty of \$100 per day that it is late in filing a response to the deficiency.
