**Missouri Public
Service Commission**

**OBJECTION TO THE DENIAL OF
MR. CRAIG MERSHON'S
PRELIMINARY RESPONSE TO
MR. DANIEL JORDAN'S
REPORT AND ORDER**

Comes now, Mr. Craig Mershon in an objection to the denial of his Preliminary Response to the Report and Order that the former Regulatory Judge Mr. Daniel Jordan submitted to the Commissioners. Mr. Mershon has been working on this document for several months now and he has completed it and he is on page 20 when it comes to proofreading his documents. My typist has been on vacation for about a week and he left this message on Mr. Morris Woodruff's voicemail twice within the several weeks that the typist was on vacation. She has returned and will be out again very soon so Mr. Mershon is trying to get his information into the Commission as soon as possible.

Mr. Mershon feels that it is very unfair that the Commission has denied his Preliminary Response to the Report and Order. The document will be very long and it will give the Commission a right to see how Mr. Mershon has been treated.

Mr. Mershon is still working on two documents that will be submitted in the very near future. The document of the Preliminary Response will be submitted within the week, it will not be submitted by facsimile, but this document will and a previous document requesting extra time has been submitted through facsimile to Mr. Woodruff. Mr. Mershon is looking for a response to both of his motions.

Respectively submitted,

Craig D Mershon
