Case No. EC-2014-0130

STATUS REPORT

COMES NOW Staff of the Missouri Public Service Commission, by and through the undersigned counsel, and files this Status Report with the Missouri Public Service Commission stating the following:

1. On January 17, 2014, Regulatory Law Judge Burton ordered Staff to file a status report by January 24 stating whether the Complainant wants to proceed with mediation or towards an evidentiary hearing, and if a hearing, proposed dates and location for the hearing.

2. Since January 17, the Complainant and Respondent engaged in settlement discussions on the issues raised in the Complaint filed on November 5, 2013. The Respondent has advised Staff that the Complainant and the Respondent in principle have settled all issues in the Complaint, but, due to extenuating circumstances, the Complainant has not yet been able to consummate the settlement.

3. Staff has attempted to contact the Complainant to confirm the settlement in principle with the Respondent, but Staff has been unable to reach the Complainant as of the time of this filing

4. Staff has discussed this report with OPC, and has authorized the undersigned to state they do not object to this request.

WHEREFORE, Staff files this Status Report by which it advises the Commission that the Respondent has informed Staff that the Complainant and Respondent have reached a settlement in principle and, therefore, there should be no need for the Commission to hold an evidentiary hearing in this case.

Respectfully submitted,

/s/ Alexander Antal
