**NON-UNANIMOUS STIPULATION AND AGREEMENT  
AND REQUEST FOR ORDER EXTENDING TIME FOR RESPONSE**

COME NOW the Missouri Industrial Energy Consumers (MIEC) and the Missouri Retailers Association (collectively, the Signatories), and pursuant to 4 CSR 240-2.115, state that they have reached the following non-unanimous stipulation and agreement ("Stipulation"). The Signatories also request that the Commission extend the time for parties to respond to their Stipulation. In support of their Stipulation and request for the Commission to extend the time for response, the Signatories state as follows:

1. Each of the Signatories has filed a Motion to Intervene in this case.
2. The Signatories agree that the Commission should grant Noranda's request in this case and adopt the recommendations set forth in in the Direct Testimony and Schedules of Maurice Brubaker.
3. Given the early stage of this proceeding, the Signatories ask the Commission to extend the period for response to this Stipulation pursuant to 4 CSR 2-115(2)(B) until a time deemed appropriate by the Commission after the closing of the intervention period in this case.
4. The Signatories shall not be deemed to have approved or acquiesced in any ratemaking or procedural principle, including, without limitation to, any other method of cost determination or cost allocation or revenue-related methodology. Other than as explicitly provided

herein, neither of the Signatories shall be prejudiced or bound in any manner in this or any other proceeding by the terms of this Stipulation regardless of whether this Stipulation is approved.

5. This terms of this Stipulation are interdependent. If the Commission does not approve this Stipulation unconditionally and without modification, then this Stipulation shall be void and neither Signatory shall be bound by any of the agreements or provisions hereof, except as explicitly provided herein.

6. If the Commission does not unconditionally approve this Stipulation without modification, and notwithstanding the provision herein that it shall become void, neither this Stipulation nor any matters associated with its consideration by the Commission shall be considered or argued to be a waiver of the rights of each Signatory for a decision in accordance with §536.080 RSMo 2000 or Article V, Section 18 of the Missouri Constitution, and the Signatories shall retain all procedural and due process rights as fully as though this Stipulation had not been presented for approval, and any suggestions, memoranda, testimony, or exhibits that have been offered or received in support of this Stipulation shall become privileged as reflecting the substantive content of settlement discussions and shall be stricken from and not be considered as part of the administrative or evidentiary record before the Commission for any purpose whatsoever.

7. In the event the Commission unconditionally accepts the specific terms of this Stipulation without modification, the Signatories waive the following rights only as to the issues resolved herein: 1) their respective rights to present oral argument and written briefs pursuant to §536.080.1 RSMo 2000; 2) their respective rights to seek rehearing, pursuant to §536.500 RSMo 2000; and 3) their respective rights to judicial review pursuant to §386.510 RSMo 2000. This waiver applies only to a final unappealed Commission order issued in this proceeding unconditionally approving this Stipulation and only to the issues that are resolved hereby. It does not apply to any

matters raised in any prior or subsequent Commission proceeding or any matters not explicitly addressed by this Stipulation.

WHEREFORE, for the foregoing reasons, the Signatories respectfully request that the Commission issue its order (1) extending the period for response to this Stipulation to a time deemed appropriate by the Commission after the close of the intervention period in this case; and (2) approving all of the specific terms and conditions of this Stipulation.

Respectfully submitted,

BRYAN CAVE LLP
