Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65101

Dear Secretary of the Commission,

SureWest Kansas Licenses, LLC (SureWest) hereby submits its 2011 Annual Report. SureWest is operating as both a Competitive Local Exchange Carrier (CLEC) and an Inter-Exchange Carrier (IXC) offering telecommunications services in the Kansas City metropolitan area. SureWest requests that the revenue numbers it is submitting, access line counts and number of presubscribed long distance customers be treated as confidential information.

Although SureWest is publicly traded, line count and revenue information on a state-specific basis is not publicly reported. The Kansas City market where SureWest operates is very competitive, and hence the information reported by SureWest in its annual report is confidential commercial information.

Accordingly, SureWest respectfully requests that the revenue numbers contained in the annual report, the number of access lines and the number of presubscribed long distance customers contained in its 2011 annual report be treated as confidential and not subject to public inspection. In accordance with standard Commission procedure, SureWest has also submitted a public, redacted version of its 2011 annual report.

Should you have any questions, please don't hesitate to contact me at (916) 786-1677.

Sincerely,

A handwritten signature in cursive script that reads "Linda Lupton".
