Dear Ms. Dale:

Atmos Energy Corporation herewith submits 8<sup>th</sup> Revised Tariff Sheet 44 which replaces 7<sup>th</sup> Revised Tariff Sheet 44.

This revision is being made due to an anticipated de minimus Actual Cost Adjustment balance in the SEMO and NEMO divisions only (see attached schedule) and the Company's decision to refund all customers in the Rich/Hill Hume area in order to zero out the ACA balance in that area. As a result of this filing a typical residential customer in SEMO will experience a 29% increase in the overall rate; in NEMO a 20% increase; and in Rich Hill/Hume a 112%. The rates in these areas will remain at a reasonable level compared to market.

Your review and approval of this revised tariff sheet to become effective October 1, 2009 is respectfully requested.

Sincerely,

A handwritten signature in black ink, appearing to read "Liza Philip". The signature is fluid and cursive.
