

DATA INFORMATION REQUEST  
 Missouri American Water Company  
 CASE NO. WR-2003-0500

Requested From: Mike Roesch or Jennifer Bade  
 Date Requested: May 30, 2003  
 Information Requested:

Please provide the depreciation database for the Brunswick district exclusive of all other districts. Please present data in the Gannett Fleming format (attached) containing dollar amounts by capital account from date of inception, or earliest date of Company records. For each capital account, include dollars by year of installation, year of retirement, year of transfer, and account balance at the end of fiscal 2002. Please indicate for each account if data is based on actuarial retirements or on "first-in-first-out" retirements. Data will be accepted in ASCII II format on floppy disk or compact disk.

Requested By: Gregory Macias

Information Provided:

The current depreciation study performed was by John Spanos of Gannett Fleming and was done only for the Brunswick, Joplin, Mexico, Parkville Water, St. Charles, St. Joseph and Warrensburg Districts. The Company is responding to DR's 4601, 4603-4607 and 4609 on this DR 4601. The Company is providing the following data files:

Brunswick	S4601R.dat	This file contains the requested data through 1999
Joplin	S4603R.dat	This file contains the requested data through 1999
Mexico	S4604R.dat	This file contains the requested data through 1999
Parkville Water	S4605R.dat	This file contains the requested data through 1999
St. Charles	S4606R.dat	This file contains the requested data through 1999
St. Joseph	S4607R.dat	This file contains the requested data through 1999
Warrensburg	S4609R.dat	This file contains the requested data through 1999

The file called S4601R - all.dat contains all of the requested data for all districts for all years including 2000, 2001 and 2002.
