NOW, THEREFORE, THIS TRUST INDENTURE WITNESSETH:

GRANTING CLAUSES

That the City, in consideration of the premises, the acceptance by the Trustee of the trusts hereby created, the purchase and acceptance of the Bonds by the owners thereof, and of other good and valuable consideration, the receipt of which is hereby acknowledged, and in order to secure the payment of the principal of and interest on the Bonds issued and outstanding under this Indenture from time to time according to their tenor and effect, and to secure the performance and observance by the City of all the covenants, agreements and conditions herein and in the Bonds contained, does hereby pledge and assign to

ARTICLE II

THE BONDS

Section 201. Title and Amount of Bonds. No Bonds may be issued under this Indenture except in accordance with the provisions of this Article. The Bonds authorized to be issued under this Indenture shall be designated as "City of Peculiar, Missouri Taxable Industrial Revenue Bond (Aquila Project) Series 2004." The maximum total principal amount of the Series 2004 Bond that may be issued hereunder is hereby expressly limited to \$140,000,000, plus the principal amount of any Additional Bonds.

Section 202. Nature of Obligation. The Bonds and the interest thereon shall be special obligations of the City payable solely out of the rents, revenues and receipts derived by the City from the Project and the Lease, and not from any other fund or source of the City, and are secured by a pledge and assignment of the Trust Estate to the Trustee in favor of the Bondowners, as provided in this Indenture. The

Bonds and the interest thereon shall not constitute general obligations of the City or the State of Missouri, and neither the City nor said State shall be liable thereon, and the Bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and are not payable in any manner by taxation.

Section 203. Denomination, Number and Dating of Bonds.

(a) The Series 2004 Bond shall be issuable in the form of one fully registered Bond without coupons in the maximum principal denomination of \$140,000,000. The Bonds shall be substantially in the form hereinafter set forth in **Article IV** of this Indenture.

(b) The Bonds shall be dated by the Trustee as of the date of initial delivery thereof as provided herein. If a Bond is at any time thereafter transferred, any Bond replacing such Bond shall be dated as of the date of authentication thereof.

Section 204. Method and Place of Payment of Bonds.

(a) The principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for payment of public and private debts.

(b) Payment of the principal of the Bonds shall be made upon the presentation and surrender of such Bond at the principal payment office of any Paying Agent named in the Bond; **provided**, that so long as the Company or any entity controlled by or under common control with the Company is the sole Bondowner, the Trustee is authorized to make payments of principal on such Bond by internal bank transfer or by wire transfer to an account at a commercial bank or savings institution designated by such Bondowner and located in the continental United States; **provided, further**, that upon such payment by internal bank transfer or by wire transfer of principal on such Bond, the Trustee shall record the amount of such principal payment on the registration books for the Bonds maintained by the Trustee on behalf of the City. If any Bond is presented to the Trustee together with such payment, or for such payment, the Trustee shall enter the amount of such principal payment on the Table in the manner provided by **Section 402** hereof. Notwithstanding the foregoing, the registration books maintained by the Trustee shall be the official record of the Cumulative Outstanding Principal Amount on the Bond at any time, and the Bondowner is not required to present the Bond for action by the Trustee, as bond registrar, with each payment of principal on the Bond. Payment of the interest on the Bonds shall be made by the Trustee on each interest payment date to the person appearing on the registration books of the City hereinafter provided for as the registered owner thereof on the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date by check or draft mailed to such registered owner at such owner's address as it appears on such registration books. In the event that the Company or any entity controlled by or under common control with the Company is the sole Bondowner, the Trustee is authorized to make interest payments on any Bond by internal bank transfer or by wire transfer to an account at a commercial bank or savings institution designated by such Bondowner and located in the continental United States.

Section 205. Execution and Authentication of Bonds.

(a) The Bonds shall be executed on behalf of the City by the manual or facsimile signature of its Mayor and attested by the manual or facsimile signature of its City Clerk, and shall have the corporate seal of the City affixed thereto or imprinted thereon. In case any officer whose signature or facsimile thereof appears on the Bonds shall cease to be such officer before the delivery of such Bond, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if such Person had remained in office until delivery. Any Bond may be signed by such Persons as at the actual time of the

execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such Persons may not have been such officers.

(b) The Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in **Section 403** hereof, which shall be manually executed by the Trustee. No Bond shall be entitled to any security or benefit under this Indenture or shall be valid or obligatory for any purposes unless and until such Certificate of Authentication shall have been duly executed by the Trustee. Such executed Certificate of Authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Certificate of Authentication on any Bond shall be deemed to have been duly executed if signed by any authorized signatory of the Trustee.

Section 206. Registration, Transfer and Exchange of Bonds.

(a) The Trustee shall keep books for the registration and for the transfer of Bonds as provided in this Indenture.

(b) The Bond may be transferred only upon the books kept for the registration and transfer of Bonds upon surrender thereof to the Trustee duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or such owner's attorney or legal representative in such form as shall be satisfactory to the Trustee. The Series 2004 Bond has not been registered under the Securities Act of 1933 or any state securities law, and the Series 2004 Bond may not be transferred unless the City and the Trustee are furnished a written legal opinion from counsel acceptable to the City, the Trustee and the Company, to the effect that such transfer is exempt from the registration requirements of the Securities Act of 1933 and any applicable state securities law. Notwithstanding the preceding sentence, the Series 2004 Bond may be transferred to any successor to the Company or any entity owned or under common ownership with the Company without the necessity of obtaining such an opinion. In connection with any such transfer of the Series 2004 Bond, the City and the Trustee shall receive an executed representation letter signed by the proposed assignee containing substantially the same representations contained in the representation letter delivered to the Trustee from the Owner upon the initial issuance of the Bond. Upon any such transfer, the City shall execute and the Trustee shall authenticate and deliver in exchange for such Series 2004 Bond a new fully registered Bond, registered in the name of the transferee, of any denomination or denominations authorized by this Indenture, in an aggregate principal amount equal to the outstanding principal amount of such Bond, of the same maturity and bearing interest at the same rate.

(c) In all cases in which Bonds shall be exchanged or transferred hereunder the provisions of any legend restrictions on the Bonds shall be complied with and the City shall execute and the Trustee shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such exchange or transfer shall forthwith be cancelled by the Trustee. The City or the Trustee may make a reasonable charge for every such exchange or transfer of Bonds sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and such charge shall be paid by the transferee before any such new Bond shall be delivered. Neither the City nor the Trustee shall be required to make any such exchange or transfer of Bonds during the 15 days immediately preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, during the 15 days immediately preceding the selection of Bonds for such redemption or after such Bonds or any portion thereof has been selected for redemption.

(d) If any Bondowner fails to provide a certified taxpayer identification number to the Trustee, the Trustee may make a charge against the Bondowner sufficient to pay any governmental charge required to be paid as a result of such failure, which amount may be deducted by the Trustee from amounts otherwise payable to the Bondowner under its Bonds.

Section 207. Persons Deemed Owners of Bonds. As to any Bond, the person in whose name the same shall be registered as shown on the bond registration books required by **Section 206** hereof shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of and interest on any such Bond shall be made only to or upon the order of the Owner thereof or a legal representative thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

Section 208. Authorization of the Series 2004 Bond.

(a) There shall be issued and secured by this Indenture a series of Bonds in the aggregate maximum principal amount of \$140,000,000 for the purpose of providing funds for paying the costs of the Project, which Bonds shall be designated "City of Peculiar, Missouri Taxable Industrial Revenue Bond (Aquila Project) Series 2004." The Series 2004 Bond shall be dated as provided in **Section 203(b)** hereof, shall become due on June 1, 2035 (subject to prior redemption as hereinafter provided in **Article III**) and shall bear interest as specified in **Section 2.08(e)** hereof, payable on the dates specified in **Section 2.08(e)** hereof.

(b) The Trustee is hereby designated as the Paying Agent for the payment of the principal of and interest on the Series 2004 Bond.

(c) The Series 2004 Bond shall be executed without material variance from the form and in manner set forth in **Article IV** hereof and delivered to the Trustee for authentication, but prior to or simultaneously with the authentication and delivery of the Series 2004 Bond by the Trustee, there shall be filed with the Trustee the following:

(1) An original or certified copy of the ordinance passed by the governing body authorizing the issuance of the Bonds and the execution of this Indenture and the Lease;

(2) An original executed counterpart of this Indenture, the Lease, the Deed of Trust and the Bond Purchase Agreement;

(3) A representation letter from the purchaser of the Series 2004 Bond in substantially the form as Exhibit D hereto;

(4) A request and authorization to the Trustee on behalf of the City, executed by the Authorized City Representative, to authenticate the Series 2004 Bond and deliver the same to the purchaser identified in the Bond Purchase Agreement upon payment to the Trustee, for the account of the City, of the purchase price thereof specified in the Bond Purchase Agreement. The Trustee shall be entitled to conclusively rely upon such request and authorization as to names of the purchaser and the amount of such purchase price;

(5) An opinion of counsel nationally recognized on the subject of municipal bonds to the effect that the Series 2004 Bond constitutes a valid and legally binding limited and special revenue obligation of the City; and

(6) Such other certificates, statements, receipts and documents as the Trustee shall reasonably require for the delivery of the Series 2004 Bond.

(d) When the documents specified in subsection (c) of this Section shall have been filed with the Trustee, and when the Series 2004 Bond shall have been executed and authenticated as required by this Indenture, the Trustee shall deliver the Series 2004 Bond to or upon the order of the purchaser thereof, but only upon payment to the Trustee of the Closing Price (as defined in the Bond Purchase Agreement). The

proceeds of the sale of the Series 2004 Bond shall be immediately paid over to the Trustee, and the Trustee shall deposit and apply such proceeds as provided in **Article V** hereof.

(e) The Series 2004 Bond shall bear interest at the rate of 8% per annum on the Cumulative Outstanding Principal Amount thereof, and such interest shall be payable in arrears on each December 31 commencing on December 31, 2005, and continuing thereafter until the said Cumulative Outstanding Principal Amount is paid in full. Interest shall be calculated on the basis of a year of 360 days consisting of twelve months of 30 days each.

(f) The Trustee shall keep and maintain a record of the amounts deposited into the Construction Fund pursuant to the terms of the Indenture, or the value of property transferred to the City in exchange for the issuance of additional principal amount of the Series 2004 Bond, as "Principal Amount Issued" and shall enter the aggregate principal amount of the Series 2004 Bond then outstanding on its records as the "Cumulative Outstanding Principal Amount" on its records maintained for the Series 2004 Bond. On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the registered owner hereof, pursuant to the redemption provisions of the Indenture, the Trustee shall enter on its records the principal amount paid on the Series 2004 Bond as "Principal Amount Paid Pursuant to Redemption Provisions," and shall enter the then outstanding principal amount of this Bond as "Cumulative Outstanding Principal Amount" on its records. The registered owner may from time to time enter the respective amounts deposited into the Construction Fund pursuant to the terms of the Indenture, or the value of property transferred to the City in exchange for the issuance of additional principal amount of the Series 2004 Bond, under the column headed "Principal Amount Issued" on the Table and may enter the aggregate principal amount of the Series 2004 Bond then outstanding under the column headed "Cumulative Outstanding Principal Amount" on the Table. On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the registered owner hereof pursuant to the redemption provisions of the Indenture, the registered owner may enter the principal amount paid on the Series 2004 Bond under the column headed "Principal Amount Paid Pursuant to Optional Redemption Provisions" on the Table and may enter the then outstanding principal amount of the Series 2004 Bond under the column headed "Cumulative Outstanding Principal Amount" on the Table. However, the records maintained by the Trustee as to principal amount issued or principal amounts paid on the Series 2004 Bond shall be the official records of the Cumulative Outstanding Principal Amount for all purposes.

Section 209. Authorization of Additional Bonds.

(a) If permitted by law and upon written agreement by the City and the Company as to all applicable terms (including any contribution payments and payments in lieu of taxes), Additional Bonds may be issued under and equally and ratably secured by this Indenture on a parity with the Series 2004 Bond, and any other Additional Bonds which remain Outstanding after the issuance of such Additional Bonds, at any time or from time to time, upon compliance with the conditions hereinafter provided in this Section, for the purpose of (i) providing funds to pay the cost of completing the Project or the making of additional improvements to the Project or the acquisition and installation of additional Project Equipment or (ii) providing funds for refunding all or part of the Bonds then Outstanding of any series, including the payment of any premium thereon and interest to accrue to the designated redemption date and any expenses in connection with such refunding. Additional Bonds may be issued only with the written consent of the Company and the Bondowners of a majority in principal amount of the Outstanding Bonds.

(b) Before any Additional Bonds shall be issued under the provisions of this Section, the City shall pass an ordinance authorizing the issuance of such Additional Bonds, fixing the amount thereof and describing the Bonds, if any, to be refunded, authorizing the City to enter into a Supplemental Indenture for the purpose of issuing such Additional Bonds and, if required, authorizing the City to enter into a Supplemental Lease with the Company.

(c) Such Additional Bonds shall be dated, shall be stated to mature in such year or years, shall bear interest at such rate or rates not exceeding the maximum rate then permitted by law, and shall be redeemable at such times and prices, all as may be provided by the Supplemental Indenture authorizing the issuance of such Additional Bonds. Except as to any difference in the date, the maturity or maturities, the rate or rates of interest or the provisions for redemptions, such Additional Bonds shall be on a parity with and shall be entitled to the same benefit and security of this Indenture as the Series 2004 Bond, and any other Additional Bonds which remain Outstanding after the issuance of such Additional Bonds.

(d) The proceeds, excluding accrued interest, of all Additional Bonds shall be deposited in accordance with the terms of the ordinance authorizing their issuance, after payment or making provision for payment of all expenses incident to such financing to be used for the sole and exclusive purposes provided in the Supplemental Indenture authorizing the issuance of such Additional Bonds.

Section 210. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond shall become mutilated, or be lost, stolen or destroyed, the City shall execute and the Trustee shall authenticate and deliver a new Bond of like series, date and tenor as the Bond mutilated lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee to save each of the City and the Trustee harmless. In the event any such Bond shall have matured, instead of issuing a substitute Bond, the Trustee may pay the same without surrender thereof. Upon the issuance of any substitute Bond, the City and the Trustee may require the payment of an amount sufficient to reimburse the City and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

Section 211. Cancellation and Destruction of Bonds Upon Payment.

(a) All Bonds which have been paid or redeemed or which the Trustee has purchased or which have otherwise been surrendered to the Trustee under this Indenture, either at or before maturity shall be cancelled by the Trustee immediately upon the payment, redemption or purchase of such Bonds and the surrender thereof to the Trustee.

(b) All Bonds cancelled under any of the provisions of this Indenture shall be destroyed by the Trustee. The Trustee shall execute a certificate describing the Bonds so destroyed, and shall file executed counterparts of such certificate with the City and the Company.

Section 303. Effect of Call for Redemption. Prior to or on the date fixed for redemption, funds or Government Securities shall be placed with the Trustee which are sufficient to pay the Bonds called for redemption and accrued interest thereon, if any, to the redemption date. Upon the happening of the above conditions and appropriate written notice having been given, the Bonds or the portions of the principal amount of Bonds thus called for redemption shall cease to bear interest on the specified redemption date, and shall no longer be entitled to the protection, benefit or security of this Indenture and shall not be deemed to be Outstanding under the provisions of this Indenture. If the Bonds are fully redeemed prior to maturity and an amount of money equal to the Trustee's and the Paying Agent's agreed to and reasonable fees and expenses hereunder accrued and to accrue in connection with such redemption is paid or provided for, the City shall, at the Company's direction, deliver to the Company the items described in **Section 11.2** of the Lease.

The Trustee shall then deliver written notice to the Bondowners at least 30 days (five days if the Company or any entity controlled by or under common control with the Company is the sole Bondowner) prior to the scheduled redemption date by facsimile and by first class mail stating the date upon which the Bonds will be redeemed and paid. Section 502. Deposits into the Construction Fund. The proceeds of the sale of the Bond, including Additional Payments provided for in the Bond Purchase Agreement, when received, excluding such amounts required to be paid into the Bond Fund pursuant to **Section 602** hereof, shall be deposited by the Trustee into the Construction Fund. Any money received by the Trustee from any other source for the purpose of acquisition, construction, installation or equipping of the Project shall also be deposited into the Construction Fund.

Section 503. Disbursements from the Construction Fund.

(a) The moneys in the Construction Fund shall be disbursed by the Trustee for the payment of, or reimbursement to the Company for payment of, Project Costs upon receipt of requisition certificates signed by the Company in accordance with the provisions of **Article IV** of the Lease, and the Trustee hereby covenants and agrees to disburse such moneys in accordance with such provisions. In paying any requisition under this Section, the Trustee may rely as to the completeness and accuracy of all statements in such requisition certificate if such requisition certificate is signed by the Authorized Company Representative. If the City so requests in writing, a copy of each requisition certificate submitted to the Trustee for payment under this Section shall be promptly provided by the Trustee to the City.

(b) If required, the City covenants and agrees to take all necessary and appropriate action promptly in approving and ordering all such disbursements. The Trustee is hereby authorized and directed to make disbursements in the manner and as provided for by the aforesaid provisions of the Lease.

(c) The Trustee shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall provide a statement of receipts and disbursements with respect thereto to the Company on a monthly basis. After the Project has been completed and a certificate of payment of all costs filed as provided in **Section 504** hereof, the Trustee, to the extent it has not already done so pursuant to this Section or **Section 1012** hereof, shall file a final statement of receipts and disbursements with respect thereto with the City and the Company.

Section 504. Completion of the Project. The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the certificate required by the provisions of **Section 4.5** of the Lease. As soon as practicable thereafter, any balance remaining in the Construction Fund shall without further authorization be deposited in the Bond Fund.

Section 505. Disposition Upon Acceleration. If the principal of the Bonds shall have become due and payable pursuant to **Section 902** of this Indenture, upon the date of payment by the Trustee of any moneys due as hereinafter provided in **Article IX** provided, any balance remaining in the Construction Fund shall without further authorization be deposited in the Bond Fund by the Trustee with notice to the City and to the Company of such action.

ARTICLE VI

REVENUES AND FUNDS

Section 601. Creation of the Bond Fund. There is hereby created and ordered established in the custody of the Trustee a special trust fund in the name of the City to be designated the "City of Peculiar, Missouri, Taxable Industrial Revenue Bond Fund -- Aquila Project" (herein called the "**Bond Fund**").

Section 602. Deposits Into the Bond Fund. The Trustee shall deposit into the Bond Fund, as and when received, (a) all accrued interest on the Bonds, if any, paid by the purchaser of the Bonds; (b) all Basic Rent payable by the Company to the City under **Section 5.1** of the Lease and amounts due under **Section 5.2** of the Lease; (c) any amount in the Construction Fund to be transferred to the Bond Fund pursuant to **Section 504** hereof upon completion of the Project or pursuant to **Section 505** hereof upon acceleration of the Bonds; (d) the balance of any Net Proceeds (as defined in the Lease) of condemnation awards or insurance received by the Trustee pursuant to **Article IX** of the Lease; (e) the amounts to be deposited in the Bond Fund pursuant to **Section 9.1(g)** and **9.2(c)** of the Lease; (f) all interest and other income derived from investments of Bond Fund moneys as provided in **Section 702** hereof; and (g) all other moneys received by the Trustee under and pursuant to any of the provisions of the Lease when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund.

The Trustee shall notify the Company in writing, at least 15 days prior to each date on which a payment is due under **Section 5.1** of the Lease, of the amount that is payable by the Company pursuant to such Section.

Section 605. Nonpresentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay such Bond shall have been made available to the Trustee, all liability of the City to the owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the owner of such Bond who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. Section 810. Enforcement of Rights Under the Lease. The City covenants and agrees that it shall enforce all of its rights and all of the obligations of the Company (at the expense of the Company) under the Lease to the extent necessary to preserve the Project in good repair and reasonably safe operating condition, and to protect the rights of the Trustee and the Bondowners hereunder with respect to the pledge and assignment of the rents, revenues and receipts coming due under the Lease; provided that, the City and the Trustee, as its assignee, shall refrain from enforcing any such right or obligation (except for the rights of the City or the Trustee to receive payments owing to either of them for their own account under the Indenture, the Lease, the Deed of Trust, the Economic Development Agreement or any other agreement related to the Bonds or for their rights of indemnification or to be protected from liabilities by insurance policies required by the Lease) if so directed in writing by 100% of the Bondowners. ARTICLE IX

DEFAULT AND REMEDIES

Section 901. Events of Default; Notice; Opportunity to Cure. If any of the following events occur, it is hereby defined to be and to constitute an "Event of Default":

- (a) Default in the due and punctual payment of the principal on any Bond, whether at the stated maturity or accelerated maturity thereof, or at the date fixed for redemption thereof;
- (b) Default in the due and punctual payment of the interest on any Bond, whether at the stated maturity or accelerated maturity thereof, or at the date fixed for redemption thereof;
- (c) Default as specified in **Section 12.1** of the Lease shall have occurred.

Anything herein to the contrary notwithstanding, no default specified above shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given to the Company by the City, the Trustee or the holders of 25% in aggregate principal amount of all Bonds Outstanding and the Company shall not have corrected said default or caused said default to be waived or corrected within 30 days after receiving written notice of the default; provided, however, if any such default (other than a default in the payment of any money) cannot be corrected within such 30-day period, it shall not constitute an Event of Default if corrective action is instituted by the Company within such period and diligently pursued until the default is corrected or waived, as the case may be.

Section 902. Acceleration of Maturity in Event of Default. If an Event of Default shall have occurred and be continuing, the Trustee may, and upon the written request of the holders of not less than 25% in aggregate principal amount of Bonds then Outstanding, shall, by notice in writing delivered to the City and the Company, declare the principal of all Bonds then Outstanding and the interest accrued thereon

immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable.

Section 903. Surrender of Possession of Trust Estate; Rights and Duties of Trustee in Possession. Subject to applicable law and regulation, if an Event of Default shall have occurred and be continuing, the City, upon demand of the Trustee, shall forthwith surrender the possession of, and it shall be lawful for the Trustee, by such officer or agent as it may appoint, to take possession of all or any part of the Trust Estate, together with the books, papers and accounts of the City pertaining thereto, and including the rights and the position of the City under the Lease, and to hold, operate and manage the same, and from time to time make all needful repairs and improvements; the Trustee may lease the Project or any part thereof, in the name and for account of the City, and collect, receive and sequester the rents, revenues and receipts therefrom, and out of the same and any moneys received from any receiver of any part thereof pay, and set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including (a) reasonable fees and expenses of the Trustee and its agents and counsel, (b) any taxes, assessments and other charges prior to the lien of this Indenture, (c) all expenses of such repairs and improvements, and (d) any amounts accrued and payable under the Economic Development Agreement. The Trustee shall apply the remainder of the moneys so received in accordance with the provisions of **Section 908** hereof. Whenever all that is due upon the Bonds shall have been paid and all defaults made good, the Trustee shall surrender possession of the Trust Estate to the City, its successors or assigns, the same right of entry, however, to exist upon any subsequent Event of Default. While in possession of such property, the Trustee shall render annually to the City and the Company a summarized statement of receipts and expenditures in connection therewith.

Section 904. Appointment of Receivers in Event of Default. If an Event of Default shall have occurred and be continuing, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondowners under this Indenture, the Trustee shall (subject to applicable law) be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate or any part thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 905. Exercise of Remedies by the Trustee.

(a) Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of and interest on the Bonds then Outstanding, and to enforce and compel the performance of the duties and obligations of the City as herein set forth.

(b) If an Event of Default shall have occurred and be continuing, and if requested to do so by (1) the City (in the case of an Event of Default arising out of Section 12.1(c), (d) or (e) of the Lease), or (2) the holders of 25% in aggregate principal amount of Bonds then Outstanding and indemnified as provided in subsection (l) of **Section 1001** hereof, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient and in the interests of the City or the Bondowners, as the case may be.

(c) Subject to applicable law, all rights of action under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without necessity of joining as plaintiffs or defendants any Bondowner, and any recovery of judgment shall, subject to the provisions of **Section 908** hereof, be for the equal benefit of all Bondowners.

Section 906. Limitation on Exercise of Remedies by Bondowners. No Bondowner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (a) a default has occurred of which the Trustee has been notified as provided in subsection (h) of **Section 1001** or of which by said subsection the Trustee is deemed to have notice, (b) such default shall have become an Event of Default, (c) the holders of 25% in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee, shall have offered it reasonable opportunity either to proceed and to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and shall have offered to the Trustee indemnity as provided in subsection (l) of **Section 1001**, and (d) the Trustee shall thereafter fail or refuse to exercise the powers herein granted or to institute such action, suit or proceeding in its own name; such notification, request and offer of indemnity are hereby declared in every case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder it being understood and intended that no one or more Bondowner shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then Outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondowner to payment of the principal of and interest on any Bond at and after the maturity thereof or the obligation of the City to pay the principal of and interest on each of the Bonds issued hereunder to the respective Bondowners at the time, place, from the source and in the manner herein and in the Bonds expressed.

Section 907. Right of Bondowners to Direct Proceedings.

(a) Anything in this Indenture to the contrary notwithstanding, the holders of a majority in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, including **Section 1001(l)** hereof.

(b) Notwithstanding any provision in this Indenture to the contrary, the Bondowners shall not have the right to control or direct any remedies hereunder in the Event of Default pursuant to **Section 12.1(c), (d) or (e)** of the Lease.

Section 908. Application of Moneys in Event of Default.

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of any obligations outstanding under the Economic Development Agreement, of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee (including any attorneys fees and expenses) or amounts to be paid pursuant to **Section 903** hereof, be deposited in the Bond Fund and all moneys so deposited in the Bond Fund shall be applied as follows:

(1) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST -- To the payment to the Persons entitled thereto of all installments of interest, if any, then due and payable on the Bonds, in the order in which such installments of interest became due and payable, and, if the amount available shall not be sufficient to pay in full any particular

installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege;

SECOND -- To the payment to the Persons entitled thereof of the unpaid principal of any of the Bonds which shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment, ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

(2) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest, if any, then due and unpaid on all of the Bonds, without preference or priority of principal over interest or of interest over principal or of any installment of interest over any other installment of interest or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Person entitled thereto, without any discrimination or privilege.

(3) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of **Section 910**, then, subject to the provisions of subsection (2) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (1) of this Section.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available and which may become available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue.

(c) Whenever all of the Bonds and interest thereon, if any, have been paid under the provisions of this Section, and all fees, expenses and charges of the City and the Trustee and any other amounts required to be paid under this Indenture, the Deed of Trust, the Economic Development Agreement and the Lease have been paid (including any amounts payable under the Economic Development Agreement), any balance remaining in the Bond Fund shall be paid to the Company as provided in **Section 606** hereof.

Section 909. Remedies Cumulative. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee, the City or to the Bondowners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the City or to the Bondowners hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry, or otherwise, and such proceedings have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the City, the Company, the Trustee and the Bondowners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 910. Waivers of Events of Default. The Trustee may in its discretion waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and

interest, if any, on Bonds, and shall do so upon the written request of the holders of more than 50% in aggregate principal amount of all the Bonds then Outstanding, provided, however, that (1) there shall not be waived without the consent of the City an Event of Default hereunder as a result of an event of default under Section 12.1(c), (d) or (e) of the Lease, and (2) there shall not be waived without the consent of the holders of all the Bonds Outstanding (a) any Event of Default in the payment of the principal of any Outstanding Bonds when due (whether at the date of maturity or redemption specified therein), or (b) any Event of Default in the payment when due of the interest on any such Bonds, unless prior to such waiver or rescission, all arrears of interest, or all arrears of payments of principal when due, as the case may be, and all reasonable expenses of the Trustee and the City (including attorneys fees and expenses), in connection with such default, shall have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the City, the Company, the Trustee and the Bondowners shall be restored to their former positions, rights and obligations hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

ARTICLE X

THE TRUSTEE

Section 1001. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If any Event of Default shall have occurred and be continuing, subject to **Section 1001(l)** below, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of its own affairs.

(b) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, attorneys or receivers and shall not be responsible for any misconduct or negligence on the part of any agent, attorney or receiver appointed or chosen by it with due care, and the Trustee shall be entitled to act upon the opinion or advice of counsel, who may be counsel to the City or to the Company, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of counsel addressed to the City and the Trustee.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds (except with respect to the Certificate of Authentication of the Trustee endorsed on the Bonds), or except as provided in the Lease and particularly Section 10.8 thereof, for the recording or rerecording, filing or refiling of this Indenture or any security agreement in connection therewith (excluding the continuation of Uniform Commercial Code financing statements), or for insuring the Project or collecting any insurance moneys, or for the validity of the execution by the City of this Indenture or of any Supplemental Indentures or instruments of further assurance, or for the sufficiency of the security of the Bonds. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with **Article VII** hereof.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated and delivered hereunder. The Trustee, in its individual or any other capacity, may become the owner or pledgee of Bonds with the same rights which it would have if it were not Trustee. The Trustee shall not be accountable for the use or application by the City or the Company of the proceeds of any of the Bonds or of any money paid to or upon the order of the City or Company under any provision of this Indenture.

(e) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, affidavit, letter, telegram or other paper or document provided for under this Indenture believed by it to be genuine and correct and to have been signed, presented or sent by the proper Person or Persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any Person who, at the time of making such request or giving such authority or consent is a Bondowner, shall be conclusive and binding upon all future holders of the same Bond and upon Bonds issued in exchange therefor or upon transfer or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee shall be entitled to rely upon a certificate signed by the Authorized City Representative or an Authorized Company Representative as sufficient evidence of the facts therein contained, and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (h) of this Section or of which by said subsection it is deemed to have notice, the Trustee shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its bad faith, negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by the City to cause to be made any of the payments to the Trustee required to be made in **Article VI** hereof, unless the Trustee shall be specifically notified in writing of such default by the City or by the holders of at least 25% in aggregate principal amount of all Bonds then Outstanding.

(i) Upon reasonable request and subject to the Company's reasonable and standard security procedures, the Trustee and its duly authorized agents and representatives shall have the right, but shall not be required, to inspect any and all of the Project, and all books, papers and records of the City and the Company pertaining to the Project and the Bonds, and to copy such non-confidential memoranda related thereto as may be desired. The Trustee shall treat all proprietary information of the Company as confidential.

(j) The Trustee shall not be required to give any bond or surety in respect to the execution of its trusts and powers hereunder or otherwise in respect of the Project.

(k) The Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions,

appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the City to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Notwithstanding anything in the Indenture or the Lease to the contrary, before taking any action under this Indenture other than payments from moneys on deposit in the Construction Fund or the Bond Fund, as provided herein, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all costs and expenses to which it may be put and to protect it against all liability which it may incur in or by reason of such action, except liability which is adjudicated to have resulted from its bad faith, negligence or willful misconduct by reason of any action so taken.

(m) Notwithstanding any other provision of this Indenture to the contrary, any provision relating to the conduct of, intended to provide authority to act, right to payment of fees and expenses, protection, immunity and indemnification to the Trustee, shall be interpreted to include any action of the Trustee, whether it is deemed to be in its capacity as Trustee, bond registrar or Paying Agent.

Section 1002. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to payment of and/or reimbursement for reasonable fees for its ordinary services rendered hereunder and all advances and external counsel fees and other ordinary expenses reasonably made or incurred by the Trustee in connection with such ordinary services and, in the event that it should become necessary that the Trustee perform extraordinary services, it shall be entitled to reasonable extra compensation therefor and to reimbursement for reasonable extraordinary expenses in connection therewith; provided that if such extraordinary services or extraordinary expenses are occasioned by the bad faith, neglect or willful misconduct of the Trustee, it shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as Paying Agent for the Bonds. Pursuant to the provisions of **Section 5.2** of the Lease, the Company has agreed to pay to the Trustee all reasonable fees, charges and expenses of the Trustee under this Indenture. The Trustee agrees that the City shall have no liability for any reasonable fees, charges and expenses of the Trustee, and the Trustee agrees to look only to the Company for the payment of all reasonable fees, charges and expenses of the Trustee and any Paying Agent as provided in the Lease. Upon the occurrence of an Event of Default and during its continuance, the Trustee shall have a lien with right of payment prior to payment on account of principal of or interest on any Bond, upon all moneys in its possession under any provisions hereof for the foregoing reasonable advances, fees, costs and expenses incurred.

Section 1003. Notice to Bondowners if Default Occurs. If a default occurs of which the Trustee is by subsection (h) of **Section 1001** hereof required to take notice or if notice of default be given as in said subsection (h) provided, then the Trustee shall give written notice thereof to the last known holders of all Bonds then Outstanding as shown by the bond registration books required by **Section 206** to be kept at the corporate trust office of the Trustee.

Section 1004. Intervention by the Trustee. In any judicial proceeding to which the City is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of the Bondowners, the Trustee may intervene on behalf of Bondowners and, subject to the provisions of **Section 1001(l)** hereof, shall do so if requested in writing by the holders of at least 25% of the aggregate principal amount of Bonds then Outstanding.

Section 1005. Successor Trustee Upon Merger, Consolidation or Sale. With the prior written consent of the Company, any corporation or association into which the Trustee may be merged or converted or with or into which it may be consolidated, or to which it may sell or transfer its corporate trust business

and assets as a whole or substantially as a whole, or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder and shall be vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereunder as was its predecessor, without the execution or filing of any instrument or any further act on the part of any of the parties hereto.

Section 1006. Resignation of Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 90 days' written notice to the City, the Company and, unless the Company is the sole Bondholder, the Bondowners, and such resignation shall take effect at the end of such 90 days, or upon the earlier appointment of a successor Trustee by the Bondowners or by the City.

Section 1007. Removal of Trustee. The Trustee may be removed at any time, with or without cause, by an instrument or concurrent instruments in writing (a) delivered to the Trustee, the City and the Company and signed by the holders of a majority in aggregate principal amount of Bonds then Outstanding, or (b) so long as no Event of Default under this Indenture or the Lease shall have occurred and be continuing, delivered to the Trustee, the City and the Bondowners and signed by the Company.

Section 1008. Appointment of Successor Trustee. In case the Trustee hereunder shall resign or be removed, or shall otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers or of a receiver appointed by a court, a successor Trustee (a) reasonably acceptable to the City may be appointed by the Company (so long as no Event of Default shall have occurred and be continuing), or (b) reasonably acceptable to the City and the Company may be appointed by the holders of a majority in aggregate principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing; provided, nevertheless, that in case of such vacancy, the City, by an instrument executed and signed by its Mayor and attested by its City Clerk under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed in the manner above provided. Any such temporary Trustee so appointed by the City shall immediately and without further acts be superseded by the successor Trustee so appointed as provided above. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank in good standing and qualified to accept such trust having, or whose obligations are guaranteed by a financial institution having, a reported capital, surplus and undivided profits of not less than \$50,000,000. If no successor Trustee has been so appointed and accepted appointment in the manner herein provided, the Trustee or any Owner may petition any court of competent jurisdiction for the appointment of a successor Trustee, until a successor shall have been appointed as above provided.

Section 1009. Vesting of Trusts in Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the City and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed or conveyance, become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor, and the duties and obligations of such predecessor hereunder shall thereafter cease and terminate; but such predecessor shall, nevertheless, on the written request of the City, execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder; every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the City be required by any predecessor or successor Trustee for more fully and certainly vesting in such successor the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereby vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

Section 1010. Right of Trustee to Pay Taxes and Other Charges. In case any tax, assessment or governmental or other charge upon, or insurance premium with respect to, any part of the Project is not paid as required herein or in the Lease, the Trustee may pay such tax, assessment or governmental charge or

insurance premium, without prejudice, however, to any rights of the Trustee or the Bondowners hereunder arising in consequence of such failure; any amount at any time so paid under this Section, with interest thereon from the date of payment at the rate of 10% per annum, shall become an additional obligation secured by this Indenture, and the same shall be given a preference in payment over any payment of principal of or interest on the Bonds, and shall be paid out of the proceeds of rents, revenues and receipts collected from the Project, if not otherwise caused to be paid; but the Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by the holders of at least 25% of the aggregate principal amount of Bonds then Outstanding and shall have been provided adequate funds for the purpose of such payment.

Section 1011. Trust Estate May be Vested in Co-trustee.

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including the State of Missouri) denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Lease, and in particular in case of the enforcement of either on default or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee, or take any other action which may be desirable or necessary in connection therewith, it may be necessary or desirable that the Trustee appoint an additional individual or institution as a co-trustee or separate trustee, and the Trustee is hereby authorized to appoint such co-trustee or separate trustee.

(b) In the event that the Trustee appoints an additional individual or institution as a co-trustee or separate trustee (which appointment shall be subject to the approval of the Company), each and every remedy, power, right, claim, demand, cause of action, immunity, title, interest and lien expressed or intended by this Indenture to be exercised by the Trustee with respect thereto shall be exercisable by such co-trustee or separate trustee but only to the extent necessary to enable such co-trustee or separate trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such co-trustee or separate trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the City be required by the co-trustee or separate trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to such co-trustee such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

(d) In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, all the properties, rights, powers, trusts, duties and obligations of such co-trustee or separate trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a successor to such co-trustee or separate trustee.

Section 1012. Accounting. The Trustee shall render an annual accounting for the period ending December 31 of each year to the City, the Company and to any Bondowner requesting the same and, upon the request of the Company or the Bondowner, a monthly accounting to the Company and the Bondowner, showing in reasonable detail all financial transactions relating to the Trust Estate during the accounting period and the balance in any funds or accounts created by this Indenture as of the beginning and close of such accounting period.

Section 1013. Performance of Duties Under the Lease. The Trustee hereby accepts and agrees to perform all duties and obligations assigned to it under the Lease.

ARTICLE XI

SUPPLEMENTAL INDENTURES

(b) If at the time the City shall request the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section, the Trustee shall cause notice of the proposed execution of such Supplemental Indenture to be mailed to each Bondowner as shown on the bond registration books required by **Section 206** hereof. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondowners. If within 60 days or such longer period as may be prescribed by the City following the mailing and final publication of such notice, the holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation

Section 1103. Company's Consent to Supplemental Indentures. Anything herein to the contrary notwithstanding, a Supplemental Indenture under this Article which affects any rights of the Company shall not become effective unless and until the Company shall have consented in writing to the execution and delivery of such Supplemental Indenture, provided that receipt by the Trustee of a Supplemental Lease executed by the Company in connection with the issuance of Additional Bonds under **Section 209** hereof shall be deemed to be the consent of the Company to the execution of a Supplemental Indenture pursuant to **Section 209** hereof, respectively. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such Supplemental Indenture (other than a Supplemental Indenture proposed to be executed and delivered pursuant to **Section 209** hereof) together with a copy of the proposed Supplemental Indenture to be mailed to the Company at least 15 days prior to the proposed date of execution and delivery of any such Supplemental Indenture.

Section 1104. Opinion of Counsel. In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee and the City may request, and, shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture and will, upon the execution and delivery thereof, be a valid and binding obligation of the City. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's rights, duties or immunities under this Indenture or otherwise.

ARTICLE XII

SUPPLEMENTAL LEASES

Section 1201. Supplemental Leases Not Requiring Consent of Bondowners. The City and the Trustee shall, without the consent of or notice to the Bondowners, consent to the execution of any Supplemental Lease or Supplemental Leases by the City and the Company as may be required (a) by the provisions of the Lease and this Indenture, (b) for the purpose of curing any ambiguity or formal defect or omission in the Lease, (c) so as to more precisely identify the Project or add additional property thereto, (d) in connection with the issuance of Additional Bonds under **Section 209** hereof, or (e) in connection with any other change therein which, in the judgment of the Trustee, does not materially and adversely affect the Trustee or security for the Bondowners.

Section 1202. Supplemental Leases Requiring Consent of Bondowners. Except for Supplemental Leases as provided for in **Section 1201** hereof, neither the City nor the Trustee shall consent to the execution of any Supplemental Lease or Supplemental Leases by the City or the Company without the mailing of notice and the obtaining of the written approval or consent of the holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding given and obtained as provided in **Section 1102** hereof. If at any time the City and the Company shall request the consent of the Trustee to any such proposed Supplemental Lease, the Trustee shall cause notice of such proposed Supplemental Lease to be mailed in the same manner as provided in **Section 1102** hereof with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed Supplemental Lease and shall state that copies of the same are on file in the principal corporate trust office of the Trustee for inspection by all Bondowners. ARTICLE XIII

SATISFACTION AND DISCHARGE OF INDENTURE

Section 1301. Satisfaction and Discharge of this Indenture.

(a) When the principal of and interest on all the Bonds shall have been paid in accordance with their terms or provision has been made for such payment, as provided in **Section 1302** hereof, and provision shall also be made for paying all other sums payable hereunder, under the Lease and the Economic Development Agreement (including the reasonable fees and expenses of the Trustee, the City and Paying Agent) to the date of retirement of the Bonds, then the right, title and interest of the Trustee in respect hereof shall thereupon cease, determine and be void, and thereupon the Trustee shall cancel, discharge and release this Indenture and shall, upon the written request of the City or the Company, execute, acknowledge and deliver to the City such instruments of satisfaction and discharge or release as shall be required to evidence such release and the satisfaction and discharge of this Indenture, and shall assign and deliver to the City any property at the time subject to this Indenture which may then be in its possession, except amounts in the Bond Fund required to be paid to the Company under **Section 606** hereof and except funds or securities in which such funds are invested held by the Trustee for the payment of the principal of and interest on the Bonds.

At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of such payment from such moneys or Government Securities.

(b) Notwithstanding the foregoing, in the case of Bonds which by their terms may be redeemed prior to the stated maturities thereof, no deposit under clause (2) of the immediately preceding paragraph

shall be deemed a payment of such Bonds as aforesaid until, as to all such Bonds which are to be redeemed prior to their respective stated maturities, proper notice of such redemption shall have been given in accordance with **Article III** of this Indenture or irrevocable instructions shall have been given to the Trustee to give such notice.

(c) Notwithstanding any provision of any other section of this Indenture which may be contrary to the provisions of this Section, all moneys or Government Securities set aside and held in trust pursuant to the provisions of this Section for the payment of Bonds shall be applied to and used solely for the payment of the particular Bonds, with respect to which such moneys and Government Securities have been so set aside in trust.
