Re: Tariff Filing to Change Critical Needs tariff sheet R-32 in Case No. GR-2022-0179

Dear Secretary Woodruff:

Enclosed for filing is P.S.C. MO. No. 9, First Revised Sheet No. R-32, which is applicable to both the East and West operating units of Spire Missouri Inc.

This revised tariff sheet, R-32, reflects revisions agreed to by the working group of various stakeholders involved in the Critical Needs Program, which includes Office of Public Counsel, Consumers Council, United Way of Greater St. Louis, United Way of Joplin, Ameren, Evergy, and Liberty Utilities. The revisions better define the Critical Needs Program and ensure that the tariff language is consistent across each utility.

Please bring this filing to the attention of the appropriate Missouri Public Service Commission personnel.

Sincerely,

**/s/ Scott Weitzel**
