Re: Cancellation of Authority to provide Interconnected Voice over Internet Protocol Service

July 19, 2023

Dear Secretary Woodruff:

The Missouri Public Service Commission ("Commission") granted StrongCord Infrastructure Systems Management LLC ("Company") authority to provide Interconnected Voice over Internet Protocol Service in File No. DA-2020-0150 effective December 12, 2019. By this letter and pursuant to Commission Rule 28.011 (3), the Company respectfully informs the Commission that the Company seeks to cancel its authority and any certificates or tariffs that may be on file with the commission. The Company has no customers in Missouri and no longer requires authority to provide service. Accordingly, the Company respectfully requests the Commission cancel the Company's authority effective as of the date of this letter.

Respectfully submitted,
