**Subject:** Annual Report Deficiency for North County Communications Corporation

This email is a deficiency notice for your annual reports. Your annual reports are considered deficient until the following issue(s) are addressed:

- The public version has blank fields/pages. Please place two asterisks in the field provided on each side of the blanks to indicate confidential data has been removed.
- Please complete column C on page 3.

Please resubmit your revised annual reports in their entirety to correct the deficiency. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) below. The case to cancel the company's authorization will not be dismissed if the company doesn't file amended reports addressing the issues above.
