Service Commission**

To Whom It May Concern:

Securus Technologies Holdings, Inc., formerly Securus Technologies, Inc., the parent company of T-Netix, Inc. and T-Netix Telecommunications Service, Inc. became a privately owned company in 2010. As none of the financial information is available to the public in any format since 2010, all financial information in the Annual Reports is designated as confidential and non public treatment under seal is requested.

If you have any questions, please contact us at 972-277-0300.

Sincerely,

William D. Markert
Chief Financial Officer
