RE: WC Docket No. 10-90: Administration of Connect America Fund Intercarrier Compensation Replacement §54.304(d)(1), Annual Reporting Requirements §54.313(i), Transition of Carrier Access Charges §51.909, and Eligible Revenue Recovery § 57.917(d)(vii)

Moss Adams LLP respectfully files with the Missouri Public Service Commission this Request for Confidential Treatment of Information (the "Request") on behalf of Choctaw Telephone Company. The Request seeks confidential treatment of certain financial and subscriber information contained in its filings that include the projected eligibility for CAF ICC funding for July 1, 2019 through June 30, 2020, Tariff Review Plan (TRP) data governing the local switched access rates and Local Rate Floor Data.

Pursuant to 47 C.F.R. §54.304(d)(1) of the Federal Communications Commission's rules, enclosed please find the projected eligibility for CAF ICC funding for July 1, 2019 through June 30, 2020 for Choctaw Telephone Company, Study Area Code 421893. This projection includes any true-ups associated with earlier filing periods. This projection has also been filed with the Federal Communications Commission and the Universal Service Administrative Company, as the administrator of the Federal Universal Service Fund.

In addition, Choctaw Telephone Company includes its annual certifications regarding CAF ICC Double Recovery as specified in 47 C.F.R. §57.917 (d)(vii). Lastly, a copy of Choctaw's Local Rate Floor Data Collection certification pursuant to 47 C.F.R. 54.313(i) is included with this filing. As of June 1, 2019, Choctaw has no monthly residential access line rates for which the sum of the monthly rate and state regulated charges is below \$18. Therefore, there is no local rate floor data to report.

Public disclosure of such information would likely cause substantial harm to the financial position of the Company.

Should you have any questions regarding this filing, please contact me.

Sincerely,

Tym Rutkowski Senior Manager (509) 777-0137
