Case No. EO-2008-0134

ORDER GRANTING MOTION TO EXCUSE SPP'S EXPERT FROM
PREHEARING CONFERENCE

Issue Date: January 31, 2008

Effective Date: January 31, 2008

The Commission has scheduled a prehearing conference for February 6, 2008, to allow the Commission to question the parties. The order scheduling the conference advised the parties that they should have subject matter experts available to participate in the conference and answer questions. On January 25, Southwest Power Pool, Inc. (SPP) filed a motion explaining that while it has an interest in this proceeding, it has little information about the relationship between the Midwest ISO and AmerenUE. Therefore, it asks to be excused from bringing a subject matter expert to the conference.

SPP's motion is reasonable, and it will be granted.

IT IS ORDERED THAT:

1. Southwest Power Pool, Inc. is excused from bringing a subject matter expert to the February 6, 2008 prehearing conference.

2. This order shall become effective on January 31, 2008.
