Application of Kansas City Power & Light Company)	
for the Opening of a Proceeding to File Status Report)	<u>Case No. EO-2008-0224</u>
on Wind Investments.)	

ORDER DIRECTING FILING

Issue Date: August 26, 2009

Effective Date: August 26, 2009

On February 13, 2009, Kansas City Power & Light Company filed a status update with the Commission in which it stated that it will continue to monitor market conditions and other factors to determine if it should place into service further wind generation in 2009 and 2010. KCPL also informed the Commission that it had until September 30, 2009, to inform the parties as to whether it will proceed under certain contracts. The Commission shall direct KCPL to make a further status report. Any other party may also comment or provide a status report.

THE COMMISSION ORDERED THAT:

1. No later than October 15, 2009, Kansas City Power & Light Company shall file, and any other party may file, an additional status report regarding a second 100 MW wind generation facility.

2. This order is effective upon issuance.
