Attachments: Deficiency Notice for AmeriVon LLC IXC 2007 Missouri Public Service Commission Annual Report

As I stated in our phone conversation last, I am sending this email to notify you that we have not received your revised annual report as requested in the previous deficiency email sent to you on 6/10/08, therefore your response is considered **PAST DUE**. For your convenience, I have attached the original email, which lists the deficiencies that need to be addressed.

As stated in that email, the Missouri Public Service Commission's rules within chapter 3 of 4 CSR 240 state that a utility company that receives a notice that deficiencies exist in the information provided in the annual report shall respond to that notice within **20 days** or the utility company is subject to a **penalty of \$100 for each day** that it is late in filing its response to the deficiency.

If you are in the process of sending the revision, have already done so or need assistance in the matter, please contact me immediately. Your response must be received **by July 7th**, in order to prevent further action by our General Counsel's office.

Please reference the following identification number when contacting the Missouri Public Service Commission concerning your report: **BMAR-2008-1383**.

A COMPANY RESPONSE TO THE ABOVE DEFICIENCY(CIES) IS REQUIRED.
