NOTICE OF EXPEDITED CONFERENCE

Issue Date: July 24, 2012

The Commission is giving notice that it is in the process of setting an expedited conference.

The complaint² alleges a disconnection of service based on a billing dispute and allegations of tampering. Since the filing of the complaint, complainants have filed further documents alleging that the disconnection is contrary to law and seeking expedited relief, with a proposal for a payment plan. As of the time this notice's issuance, the Commission is contacting the parties and arranging a conference to discuss such relief. The Commission is attempting to schedule the conference before the end of the week.

¹ The Commission is amending the caption to reflect the persons filing documents and receiving service.

² Filed on July 20, 2012.

Once the Commission has made contact with the parties, the Commission will give notice of the time and place by separate order.
