Thank you for submitting your Interexchange Telecommunications Carrier Annual Report to the Missouri Public Service Commission. I have reviewed the report and the annual report is omitting Total Company Revenues. This information needs to be submitted in order to have completely filed your annual report for this year. If it is preferred that information be confidential you may submitted it confidentially. I have attached the Annual Report cover letter detailing the highly confidential requirements.

Please feel free to email or call with any questions you have.

Sincerely,
