Case No. MC-2000-541

DIRECTOR'S CASE STATUS REPORT

COMES NOW the Director of the Division of Manufactured Homes, Recreational Vehicles and Modular Units of the Public Service Commission ("Director") and submits the following *Case Status Report* to the Missouri Public Service Commission ("Commission"):

1. On January 9, 2001, the Commission issued its *Second Order Directing Filing*, in which it instructed the Director, along with Rightway Homes ("Respondent"), to file, by February 8, 2001, "a joint report on the status of this case...."
2. Respondent has notified the Director, and has given him permission to include in this *Report*, the information presented as Attachment A to this *Report*. The Director has nothing to add to this information at this time.

3. However, the Director now believes that the most efficient way to bring this matter to a resolution is for the Commission to set a date for a prehearing conference at which the various issues in this matter may be discussed by the parties.

WHEREFORE, the Director prays that the Commission accept this *Case Status Report*.

Respectfully submitted,

DANA K. JOYCE
General Counsel

Re: Public Service Commission

Dear Mr. Calvert:

The current status of Case No. MC-2000-541 is as follows:

- Mr. Doug Farnsworth, the customer who began this process, has let the bank repossess the home.
- The factory that built the home was in the process of sending us the information and materials to complete the work required on the home when it shut down.
- We are now working with another Fleetwood Plant to secure the parts and specifications to complete the required repairs on the home.
- We intend to complete the repairs on this home as soon as all required specifications and parts are received.

I hope this information will be useful in the filing required by the Public Service Commission, if you require more information please contact us.

Thank you!

Sincerely,

Doyle W. Murr
